## Grow Leaders

**We value volunteer leadership and continually invest in training and mentoring young leaders.**

Scripture Union's strength lies in the strength of the volunteers. Where there are strong volunteer teams to support staff or lead the work, ministry has seen tremendous growth. These are evidence that relationships are key to all that we do. SU Nigeria has run a successful Pilgrims Program for many years. Their 'graduates' become part of an alumni group which enables them to continue their association with SU long after they have left school.

What should I do to reflect this in my life as a SU person?
