

**QUARTERLY REPORT SPAIN APRIL - JUNE:
OBRA ENTRE NIÑOS. MELANI ZARCO CASTELL.**

ENCOUNTER IN SWITZERLAND:

From the 23rd to the 26th of April, it took place the European Scripture Union Encounter in Switzerland and I had the opportunity to be there.

It was a really good and blessed time. I came back to Spain with new strengths and encouraged to keep on serving good in this ministry. I think that travel and meet with other SU leaders help me to know other realities and give me a wider vision of what is happening in the SU ministry around the world.

I could receive formation and information about different topics during the workshops and conferences and meet other national leaders and enjoy discovering what they are doing in their countries through the SU ministry. It was amazing.

One of the leaders I talk the most was Fernando Barata Vasco, the Portuguese SU National Leader. He explained me about the projects developed in Portugal. One of this projects is Notas Diarias for Kids (They're developing ND for Kids since 1960 or even before). It seemed to me an amazing Project to be developed in Spain because we are known in Spain because of Notas Diarias but for adults. I think it could be possible to start doing Notas Diarias for Kids in Spain and it could be a good way to raise funds.

Fernando told me that he would ask SU Portugal about the possibilities of doing a session of this material to SU Spain. If it was possible we could translate it and use it to engage kids with the Bible Study. When I came back to Spain I talked about this project to our team and now we are analyzing the possibilities and trying to find the best way to develop it.

MUSICART PROJECT.

As you know, since the 2018 began we have been starting a new musical project as MusicArt.

The main objective of MusicArt is to evangelize and to teach bible within art. It would be our third musical since we started the project.

For several months, we have been working in the theme and the structure of the new musical with a team formed with people from different churches of Tarragona (our city) and other cities around. Wednesday 20th June, we had the first meeting with all the people interested in being part of the project. This meeting take place in a public building in Tarragona called Espai Jove Kesse. We will have all the rehearsals there during summer. About 40 people came to the first meeting.

During the first weeks of July we are doing casting for the different artistic areas and it's being a great time. We are having the possibility to meet with people from different churches and to share good moments.

We are amazed with all the talented people that has come to the castings.

Everyone that will be part of this Project will be registered in Scripture Union Spain as volunteers. We want to get our objective to represent the musical not just in our city but all around Catalonia (our region) and Spain.

MUSICART KIDS PROJECT. DAY CAMP IN SEPTEMBER

From the SU Spain Kids Ministry, we are planning an Art, Bible and English Day Camp for kids from 3 to 12 years old. It will take place the first week of September (from the 3rd to the 7th) and will finish with a kid's party in Saturday 8th. Our camp will have a main theme, "Superheroes". During the camp, we will do several activities (specially art activities) to engage kids with Bible daily read and study and to help them developing their gifts and talents to serve God.

During the last months, we have been working in the program and other practical and organization tips. We are still working to prepare a great Day Camp.

PROMOTION AND VISITS TO DIFFERENT CHURCHES

During the last three months, I have been visiting several churches in Tarragona and other cities around with my husband Jose to promote the new projects I have been developing in SU Spain Kid's Ministry and other projects from SU Spain.

It has been a blessed time. A lot of people who unknown the work of SU Spain have been listening about what we are doing and some of them have decided to be part as volunteers of our projects. We have raised some funds selling materials and through donations.

These are the different churches we have been visiting and the dates when we visited them. We have been in different events as the Missionary Conferences and the Reformation Party in Barcelona.

- 6th May. Iglesia Unida de Valls.
- 12th May. Jornadas misioneras FADE.

- 13th May. Iglesia cuadrangular de Reus.
- 20th May. Iglesia protestante de Salou.
- 27th May. Iglesia monasteri de Poblet.

TRADUCTION OF THE BIG BIBLE CHALLENGE

During the last months, we have been working and ending the traduction of the online part (website resources) of the Big Bible Challenge. I have worked all together with a team of 8 volunteers. I'm really happy with the work we have done and I really thank God for every volunteer involved in that great job.

COLLABORATION CON EXPLORA

Last June 23rd we done a collaboration with Explora Project. It consisted on a video recording session.

Explora is a Bible School material developed by ABBA which has become very popular in Spain during the last year. One part of the material they offer is a set of music clips with choreographies to do with kids during the Bible School program. They ask us if we could help them to create the choreographies to their new Yearly Curriculum. Thanks to a group of volunteers it was possible to do that collaboration and it was a great time.

PROMOTION IN OUR YOUTUBE CHANNEL AND SOCIAL MEDIA

From the SU Spain Kid's Ministry we have created a YouTube Channel where we share a new video every week. These videos are basically choreographies of Christian songs for kids. Our objective is that kids of all ages can learn Christian songs and choreographies.

Everyone can subscribe our channel and receive notifications each time we share new contents. We have also Facebook and Instagram so if you want to discover more about our projects you can visit us in: "Obra Entre Niños UB"
