

## THE GIFT

### The Gift

The time, the place, the love,  
Given to us  
Divine, so fine, it was  
More than enough.

So, lift your hands up  
We've got to stand up  
And bring the praise He  
deserves.  
Sing altogether  
Now and forever  
We're celebrating His birth.

Tell me who can compare  
With a God who could spare  
His own Son, for us all  
Tell me who can describe  
Such a glorious time  
Like the day, He was born.

He came for you, for me  
Opened the way  
To show the love, the peace  
Born on this day.

### The Rap:

*He's the wonderful Counsellor  
The Almighty King  
From everlasting to  
everlasting  
The Prince of Peace  
The Mighty God  
The forever Father  
Living Word  
His reign, His peace will never  
cease  
Rules with justice eternally  
Foretold by prophets  
Announced by the angels  
The Gift  
Lying in a manger.*
